

Finding Funds to Combat Gun Violence on Your Campus

KEEP K-12 & HIGHER EDUCATION ENVIRONMENTS SAFE

Use existing funding sources to protect your campus

We'll work with you to find grants and other available funds in your state, including:

- ESSER & GEER
- Stronger Connections
- SVPP (School Violence Prevention Program)
- Other options including sole source awards

States are passing measures to deploy campus safety solutions like ZeroEyes—the only A.I. gun detection software that holds the U.S. Department of Homeland Security SAFETY Act Designation.

Learn about funds available in your state, speak with your school safety specialist: [REP NAME & EMAIL HERE]

More Information on Grants and Funding

ESSER

The Elementary and Secondary School Emergency Relief (ESSER) fund addresses social, emotional, and other educational needs in the post-pandemic environment.

Stronger Connections

Established to create safe and healthy learning environments and to prevent and respond to acts of bullying, violence, and hate that impact school communities.

SVPP

School Violence Prevention Program (SPVV) funds provide up to 75% funding for school safety measures in and around K-12 schools and school grounds.

Plus other grants and direct sole source awards via Omnia Partners, TIPS USA, Carahsoft, and more.

The Industry's Trusted Provider

Founded by US Navy SEALs, Special Forces Veterans, and elite technologists.

Patented technology and AI lab that received the US Department of Homeland Security SAFETY Act Designation.

Serving schools, municipalities, and other buildings in more than 40 states

How ZeroEyes Works

DETECT

AI-powered brandished gun detections from software layered on your existing security cameras.

Alert Page

VERIFY

US-based ZOC is veteran trained, verifying detections 24/7/365 to reduce or eliminate false positives.

Alert: 531
Client: ZeroEyes HQ
Camera: Facing Parking Lot
Longitude: 2950431653
