

SECURE YOUR SCHOOL

Leverage \$196.5B in ESSER and GEER Funding for School Safety

AI-powered firearm detection to
combat gun violence on campus.

What Are ESSER and GEER Funds?

ESSER and GEER funds are set aside as part of the CARES Act, CRRSA Act, and ARP Act. These acts provide support to states, LEAs and schools to reopen schools safely, maximize in-person instruction time, and address social, emotional, and other academic needs.

Funds are still available for LEAs and schools to allocate to safety for a limited time.

AI Gun Detection

Use ESSER and GEER funds to protect your campus from gun violence.

- 3-5 second detections
- Reduces response time for SROs and authorities
- Human verification means no false positives

Funding Totals

Elementary and Secondary School
Emergency Relief Fund (ESSER)
